FINANCE DEPARTMENT.

FEE, ALLOWANCES AND FINANCE ORDERS.

India, the 27th August 1925.

SUMMARY.—*Indian Audit and Accounts Service Examination Rules.*

No. 1719-F.F.—In pursuance of the Resolution in the Department, No. 1151-F.F., dated the 26th September 1924, as subsequently amended, the following revised rules, which will come into force from the 1st January 1926, are presented for the consideration of candidates in India for admission to the Indian Audit and Accounts Service:—

I. A register of candidates will be kept from which not less than three candidates for each vacancy will be recommended by the Government of India from time to time as vacancies are reported. Only candidates so recommended will be entitled to compete.

II. Applications for entry in the register must be forwarded through the local Government of the province in which the candidate resides. A candidate desirous of having his name entered should pay a fee of Rs. 4 into a Government Treasury and return the treasury receipt with his application. Names will not be entered in the register only on the recommendation of a local Government; and the fee paid by a candidate will not be refunded in any case even if the local Government do not recommend him or the Government of India decide not to enter his name in the register.

III. On or before the 15th May in each year local Governments will send to the Government of India the names of any persons whom they desire to recommend for entry in the register. The list should be accompanied by a statement certifying in respect of each such person:—

- (1) The application, which should be in the candidate's own handwriting.
- (2) A duly verified statement of age.
- (3) Details of education of character and attendance.
- (4) A statement, duly supported, showing the mathematical training which the candidate has received and the examinations involving mathematics which he has passed.
- (5) Information regarding any service that may have been rendered to the State by his parents or family.
- (6) A statement of the two optional subjects, in which he will, if accepted, offer himself for examination.

A candidate will not be allowed to change the optional subjects in which he wishes to appear in the examination for any year, after results and constituents of the examination have been published in the Gazette of India as laid down in Rule XII below.

*The words "Native of India" shall include any person born and domiciled within the dominions of the Empire in India, or person lawfully resident in India and not domiciled there for temporary purposes only.

Before being recommended by a local Government, each applicant must give satisfactory proof that he is a native of India, within the meaning of the Statute 33 Vict., Chap. 8, section 2.*

Para. 1.—Subject of Indian Education eligible for registration under rule II.

IV. The names of persons not possessed of high educational qualifications will not be registered. Clear and correct hand-writing, a business familiarity with the English language, a good knowledge of arithmetic and an elementary knowledge of algebra are indispensable.

V. The Government of India reserves an absolute discretion, not only as regards the selection of persons to be selected, on the ground of merit, but also as to the admission of candidates to compete at the examination. It must be clearly understood that registration of a candidate's name does not, in any way, imply that he will be admitted for admission to the examination.

VI. The names of a registered candidate will be struck off the register when he has failed in two examinations. It will also be liable to be struck off if he has been twice convicted and has failed to appear at the examination on one or both occasions.

VII. A candidate nominated for admission to an examination will not be admitted to a later examination unless again nominated.

VIII. The age of a candidate, on the first day of August of the year in which the examination is held, must not be less than twenty-two or more than twenty-five years. A candidate, who has been employed in Government employ since before the age of 18, may, however, at the discretion of the Government of India, be allowed to compete at the examination up to the age of 30, provided that he is satisfactorily recommended by the Head of his Department.

IX. A nominated candidate will be required to pay a fee of Rs. 25 for each examination. Before a prescribed date prior to the examination, he should forward to the Government of India in the Finance Department the following:—

- (a) A treasury receipt for the amount of the fee paid into a Government treasury.
- (b) A medical certificate in the standard form by a Government Medical Officer or by a Medical Officer in charge of a Civil Station. A candidate who obtains a second examination, must produce a fresh Medical Certificate.

Certificates.

I do hereby certify that I have examined A B, a candidate for employment in the Indian Audit and Accounts Service and that I consider that he has any degree, educational, official or bodily infirmity, affecting him, or likely to affect him, for the public service in any part of India.

(b) A certificate of age from the officer in charge of the district in which his family resides or, if it resides in a Presidency town, or an Indian State, from the Presidency Magistrate or the Political Agent, as the case may be. To obtain the certificate the date and place of the candidate's birth must be proved before the district officer, Presidency Magistrate or Political Agent, as the case may be, by documentary evidence, supplemented, where this is not conclusive proof, by statements of relatives and others on oath or solemn affirmations.

X. Nominated candidates will be examined in the subjects specified in the schedule attached to this Regulation. No candidate will be admitted to the Service who fails to show a competent knowledge of the compulsory subjects, and the Government reserves the right of declining to make any appointment when a candidate receives a high standard of proficiency.

XI. The examination will be mainly by written questions and answers. The questions will be prepared, and the examination conducted, in such manner as the Governor-General in Council from time to time directs.

XII. Since time before an examination is to be held, its date and place, and the conditions of examination, will be notified in the Gazette of India, and the number of vacancies which the Government expect to fill on the result of the examination, will, at the same time, be noted.
